### **Presentation Lists**

Oral and poster presentation lists are now available at <http://ieic5.org/archives/918>.

### **Instructions for Oral Presentations**

For each oral presentation, there will be a 15 min time slot including discussion. The session organizers will be asked to ensure that presentations keep strictly to time in order to allow sufficient time for discussion.

A Microsoft Windows computer will be used to project the PowerPoint and/or PDF presentations. It will not be possible to use your own computer. The computer will be equipped with Windows 10 and Office 2016. Prior to your presentation, at least one day before, submit your file at <https://secure2407.sakura.ne.jp/tank.ieic5.org/step1.php> . Only .ppt, pptx, .pdf and .zip will be

accepted. If you prefer using movies in your presentations, all files should be zipped in the single ZIP format.

## **Instructions for Poster Presentations**

The dimension of each poster panel is 90cm in width and 160cm in height. You can use all of this space. Posters will be putted on the board with pins. The pins will be supplied by the organizer.

Posters will have an individual ID Number and the boards will be numbered accordingly. Poster session will be held on Tuesday and Thursday. For Tuesday presentations, authors can be on display after 16:00 on Monday, and remove them by Wednesday lunch time. For Thursday presentations, posters can be placed from afternoon on Wednesday and should be removed just after the poster session. If posters remained, the organizers will discard them.

## **Student Awards**

We prepare student awards for the best presentations on each of oral and poster presentations.

## **Congress Banquet**

Congress banquet will be held on 18 October. If you prefer vegetarian or Muslim menu, please mail to [banquet@EIC5.org](mailto:banquet@EIC5.org) by October 6.

## **Excursion**

The conference excursion will not be organized, because many of oral presentations have been applied so that we have no room to conduct it. If you go elsewhere personally, the following site can help you.
